"WHAT A BLIND MAN SAW IN ENGLAND."

All the world, and especially the English, are delighted with
this Lecture.

Appeal for the Death-Bed from the NEW-YORK
TERRITORIAL COMMITTEE.

WM. C. BRYANT Chairman, J. E. WILLIAMS Treasurer,
Chas. H. Marshall, Secy. B. H. McDurdy,
Morris Ketcham, Daniel Drury, J. S. Woodward,
Daniel Lord.

I have become compelled by duty to urge the Territorial
Committee that over 40,000 of our fellow citizens in Kansas
are now in imminent danger of starving. We have the evidence
from all sources, from Gen. Pomeroy, Chairman of the Terri-
torial Committee, that the men, women, and children, who
speak these are all stories of profit, from our own reliable agent
who has just returned. There is no doubt of the military, ter-
rible, wide-spread destructive power.

We have evidence that while families have already died of
starvation, many more have been disabled, and die of
diseases consequent upon it, unless prompt and thorough aid is at once applied. Congress is now sit-
ting to sustain the starving Indians, but are they to sustain the
men—men, women, and children? We are in a dilemma, for
the dead cannot speak, nor tell. The only dependence is upon
those who have never known hunger.

They must be sustained. Will you help us to help them?

To assure that whatever we do will reach them, we state
that the entire Township is a Relief Committee; those
represented by the Territorial Committee as follows:

TERITORIAL COMMITTEE.

JOHN B. POMEROY, Attorney-at-Law, Brown County;

J. L. McDowell, Lawyer; the Rev. G. Reynolds, Law-
yer; the Rev. E. Bowditch, Topaz; D. S. Ayres, Law-
yer; F. N. Blake, Junction City; G. L. Lovell, Law-
yer; J. C. Steward, Jefferson County; J. W. Burnett, Bon-
bon County; J. C. Lamden, Butler County; Geo. M. Root,
Wyandot.

JOHN B. POMEROY, Lawyer.

John B. P. McDowell, the Rev. G. Reynolds, Esq., Co-
responding Secretary; Major G. H. Farnell, Treasurer.

Gen. Pomeroy is chairman, and at present, the whole
territory is represented by him. The distribution
of all quantities of food and clothing, all of which are
derived from contributions of Town Committees, and are distributed
through them. This organization is prompt, thorough, and effect-
ive, and we advise the sending of supplies to the same, and effect-
ive, and we hope to have the same to be in the hands of
the names of our Committee appear at the head of this appeal,
and we hope will be sufficient to induce cooperation. Our
Treasurer is John E. Williams, President of the Metropolitan
Bank, and we trust he will be liberal in his offer to contribute
to the payment of Gen. Pomeroy's draft, on account of freight
and costs.

We appeal to you, all to do with all in alleviating this
present difficulty. There is no time to lose.

First: We ask individuals, everywhere, to contribute at once,
and to urge it upon their friends and neighbors.

Second: We appeal to all churches and organized bodies,
and particularly to the Methodist.

Third: We urge upon every Government, or Every State, im-
mediately to bring this matter to the attention of their Legisla-
tures and people. Our statistics show that nearly \$200,000
is needed to meet the demand for food and clothing, and
for Spring planting. It can only be furnished by State
action. Every consideration of interest, also demands that this
new State should be enabled to become self-sustaining, and to
help others as we are now helping them.

We ask, therefore, every Legislature to do as they can,
and we hope to do them in like degree, and at once to grant
an ample sum.

All money sent to our Treasurer, JOHN E. WILLIAMS,
Metropolitan Bank, New-York City, will be gratefully ac-
knowledged and effectively used.

All clothing should be sent to Gen. POMEROY, Atchison,
Kansas, and freight should be prepaid.

Postage (Stamp 13 cents and 10 cents) for sale at THE
TRIBUNE Office.
